Our need

New Beginnings needs an estimate of **R220 000+ per month** to continue the work we do. This is to maintain all our current projects and to care for all the animals at our Rescue Centre. We usually have more or less 70 animals at the Rescue Centre to care for and many projects to bring long term change.

Please support New Beginnings and enable us to reach out and change our community. We are the voice of the voiceless!
