New Beginnings

*Striking at the Roots*

# Introduction

The **New Beginnings Bursary Project** is a vital initiative within our organization, dedicated to providing financial support to children from disadvantaged backgrounds and circumstances. Our mission is to ensure that every child, regardless of their socio-economic status, has the opportunity to receive a quality education. Through this project, we aim to nurture future leaders and empower them to break the cycle of poverty.

# Current need

As we prepare for the upcoming academic year, we have identified four children who are in urgent need of bursaries. These children have shown remarkable potential and commitment to their education, but without financial assistance, they face the risk of having their educational journeys disrupted. The bursaries will cover essential costs, including:

- **Tuition Fees: Ensuring uninterrupted access to education.**
- **Books and Educational Materials: Providing the necessary tools for academic success.**
- **Uniforms and School Supplies: Supporting a sense of belonging and readiness for school.**
- **Transportation: Facilitating regular attendance by covering travel costs.**

*These cost variate from child to child – depending on chosen school, age, distance etc. Please contact: [info@newbeginningscharity.co.za](mailto:info@newbeginningscharity.co.za) for more information on cost per child or for more information on the children.*

# Impact of the Bursary Project

The New Beginnings Bursary Project is more than just financial aid; it is an investment in the future of our community's children.

By supporting these children, we are not only helping them achieve their academic goals but also contributing to the long-term development of our society.

Education is the foundation upon which individuals build better lives for themselves and their families, and with your support, we can make a lasting impact.

# Request for Support

We kindly request your consideration in partnering with us to support these four children through the New Beginnings Bursary Project. Your contribution will directly impact their lives, providing them with the resources they need to succeed in their studies and beyond. By investing in these young minds, you are helping to create a brighter, more equitable future for them and the people around them. We believe that with the right support, these children can overcome their current challenges and become leaders in their communities.

## Conclusion

The New Beginnings Bursary Project is an essential part of our commitment to education and social upliftment. We invite you to join us in this endeavour, ensuring that no child is left behind due to financial constraints. Together, we can make a difference, one bursary at a time.

Thank you for your consideration and support.

# Benefits for Sponsor

**New Beginnings can supply you with a Tax certificate for your donations towards the Bursary Project.**

***Sponsors will receive updates, photos and reports on the children sponsored.***
