Our need

New Beginnings requires an estimate of over R220,000 per month to sustain our operations. This funding is essential for maintaining all our current projects and providing care for the approximately 70 animals at our Rescue Centre. We are committed to bringing about long-term change through our various initiatives.

We kindly ask for your support for New Beginnings, enabling us to reach out and positively impact our community. Together, we can be the voice for those who cannot speak for themselves!
